“ I had the honor of being Barbara's sister-in-law for almost five years. She was a wonderful person and I absolutely adored her. We have kept in touch on and off during the past several years and I will always remember her with very wonderful memories. She was such an extraordinary person and I will miss my bunzie wunzie as her dad would affectionately call her sometimes. They are in heaven together making each other laugh as they did her on earth. My deepest sympathies go to Helen and Jim as they morn the loss of this very special woman. Having lost a brother, mother, and sister in my life, I know that their loss is deep and I will keep you in my prayers.

“ My deepest sympathies to Barbara's loved ones. I had the good fortune to work with Barbara. She was a saint, in my opinion. The level of patience she exhibited when working with exchange students can only be described as extraordinary. So warm, and so kind. She left an indelible mark on the lives of many. She will be greatly missed.

“ I have truly enjoyed working with Barbara in the University College Advising Center at MTSU. Barbara was very talented and created many of the Summer Reading Program guides with her graphic design skills. In addition, she was a trusted advisor to many students on campus. We will always remember her warm personality n the UCAC.
