“ Bill and Peggy (and family): We are so sorry for your loss. My God strengthen you as you go through this difficult time. We have such good memories of Becky....the times of playing ball with her and the "church members" behind the Christian school...and talking with her at East Main. Our heart share your grief at this most sorrowful time.

“ I remember Becky in high school as a funny and carefree girl who loved life and made everyone around her smile. Although I did not know her in her adult years and just recently reconnected with her through Facebook, I can only imagine that she was that same happy person that I knew in school. She will be missed and my thoughts go out to her family at this time. RIP Becky!

“ Our thoughts and prayers go out to all of you who are hurting from your loss. It is so hard to find words to comfort a broken heart. But with terrible losses of our own, we know in time the hurt does get easier. Knowing that we have family and friends who cared that we were hurting was a comfort in itself even though there was nothing they could physically do to ease our pain, but just knowing their thoughts and prayers were with us was of a comfort. We ask in Jesus name for peace and comfort in your hearts. Wes & Cyndi Alford
