“ Robin and Liz , I have thought of Ben most every day since he left UMC. Wanted to call and check on him but lost y'all's numbers. The stories I could tell about Ben, He taught me alot in our time together. I always respected him.Great memories , and I get to see those memories every day at work. He will always hold a special place in my Heart. He adored his girls ! He was a good man , I am a better person for knowing him.I'm still at The "U" if yall are ever in Jackson. My thoughts and prayers are with y'all.....
