

Comas "Chip" Fay Montgomery Jr

September 7, 2020

Comas "Chip" Fay Montgomery Jr., the love of my life, received his inheritance, September 7, 2020. He was 61 years young. He was born August 15, 1959 and I've been blessed to have him as my best friend and soulmate since January 30, 2009. He embodied the true love of God, through Jesus Christ, in the way he pulled you in and surrounded you with a sense of being deeply loved for who God made you to be. He accepted you as you are and encouraged your growth into reflecting the image of Christ. Chip was a Physical Therapist and Reserve Deputy with Wilson and Rutherford County.

Aside from me, his wife Cheri, he has two children, John Comas (Ashton) Montgomery and Hannah (Rabi) David with grandchildren Pearce, Harrison, Roxxanna, and Vivian. He also lovingly accepted my children, Catherine and Joshua. Catherine was honored to call him dad and the strongest man she knew. He is also survived by his loving mother, Shirley; brothers, Carl (Jennifer) and Charlie; sister, Connie; mother-in-law, Jean Everetts; numerous aunts, cousins, nieces, nephews, uncle and friends who will dearly miss him. He is rejoicing with his late father, Comas Fay Montgomery and I am sure he is off on a fantastic motorcycle adventure.

To honor his love of country and history, please send memorial contributions in lieu of flowers, to Hillsdale College (www.hillsdale.edu) or the library of your choice. Daughter, Hannah and grandson Pearce would be so honored to know you have contributed to educate children and foster the love of reading.

Visitation with the family will be 1:00-3:00 PM, Friday, September 11, 2020 at North Boulevard Church of Christ in Murfreesboro with service to follow with Bro. David Young officiating. Face masks will be required inside the building. A private family burial will follow in Beech Grove, TN.

Arrangements are under the direction of Jennings and Ayers Funeral Home and Cremation Services, 820 South Church St., Murfreesboro, TN 37130. 615-893-2422. Please leave online condolences at www.jenningsandayers.com.

“ Chip was the best big brother friend I had ever had in high school, he had the biggest smile and the sweetest hugs. We rode around in that blue truck, I'd go with him to baseball practices and all over. He was a special guy. I met his family and felt honored. When he found the lord during our college years, he was passionate and on Fire! I was not... but unappreciated his zeal. But I met a guy, married and moved away.. then I met the Lord! I understand what he was talking about .. years later he found me, when our class reunion was coming up, I was so happy he called, I was able to tell him about my four kids and great husband and even in the ministry.. a preachers wife of all things! He was the same sweet man, his voice was happy like always... I was glad to tell him if my relationship with the Lord. He was a special person, I look forward to seeing him in heaven, I'm sorry for your loss of this fine man.

“ Chip was the physical therapist for my late mother when she had her knee replaced. She loved him and would laugh and tell me stories of her physical therapy. He will be sorely missed by all of his patients, I am sure. God bless you and all your family as you deal with your loss, all too soon.

“ I knew Chip and his family many years ago when I attended church with them some 29 plus years ago. He was a gentle soul....we used to fellowship for bible study in small groups, broke bread at his home, and overall enjoyed his company.

I ran into him briefly at the MAC gym about 4 years ago. He shared with me how the Lord healed him from a bout with cancer recently. The Spirit shined in his eyes. Luke 11:34 comes to mind....now you are perfection, fully resurrected! Godspeed. Chip Robison

“ To the Chip Montgomery family,

I will always remember the fun-loving Chipper and his care and love for family and friends. I am so sorry for your loss. My sympathies go out to your entire family. I am sorry I am out of town and cannot be at his service. I will be thinking about Chip and may he rest in peace.

“ I had the pleasure of working with Chip. There was never a day, no matter what he was going through, that he wouldn't kid, cajole or connect with you on some level to make you smile. My heart goes out to his family. He was one of the "Good Ones".

Rest easy Chip. Your light touched us all.
