“ Kevin. I cannot imagine what you are going through right now with the sudden loss of your mother. My heart aches for you and your whole family. My prayers are with you all that you can find the strength and comfort you need to get you through this.

"God walks with us. He scoops us up in His arms or simply sits with us in silent strength until we cannot avoid the awesome recognition that yes, even now, He is with us."

Praying for you and your family,
Mona

“ I am so sorry about the lose of my aunt Denise. She had a hard life and yet could always find something to laugh about. Taylor and Joshua have fond memories of competing with their great aunt Denise in many late night games of Rook. As long as Denise had a "pop" to drink she was happy! She was loved by her family and will be dearly missed.
