“ Ms. Evelyn was there for me when I needed it most, and she opened her arms to me when Rayce (now 15) was a baby and I struggled with baby blues! I can remember her teaching me different techniques, and just spending time with me, as we quilted side by side while Rayce sat in his carrier beside us. I still have a quilting needle stuck in the first page of my Bible to remind me of those memories and the graciousness of God in that season. I can still hear her voice and the kindness she showed me. I had no idea that she had passed on to be with Jesus. While I am so very sorry for the loss we feel here on earth, I am so grateful for her victory in Jesus!

I love you, and please let me know if there is any way that I can help. I will be praying.

Jamie

Know that Yahweh your God is God, the faithful God who keeps His gracious covenant loyalty for a thousand generations with those who love Him and keep His commands.

“ I cannot think of a kinder and sweeter lady than Evelyn Summar was. She had such a pleasant disposition that she could light up a room. I always felt better after I saw her.

I also admired her toughness because in spite of her physical disabilities she kept going much longer than the average person.

“ I knew Ms. Evelyn from North Blvd. Church of Christ. She was always so kind and asked about my family. I appreciated her kindness more than she knew. So grateful she has a new home in heaven.
