“ My PaPa was a GREAT person and he taught me how to play poker and let me tell you, I am the best in the Carlisle family to ever play :) I will miss him more than he knows. He always told me I was Mexican because we loved our spicy foods so much. I regret that the Carlisle family was never as close as I would wish but I know every one has their own directions. One day I would hope for. I love all my family and wish nothing but the best for EVERYONE. Please keep in touch benzer101@yahoo.com or 615-668-3606. I would love to go to a reunion if possible one day.

“ Eddie, Sandra & Johnny & families; My heart goes out to you all at this time of great loss. Your dad was one of my favorite Uncles! I hate that I wasn't able to come see him before he passed away. I was able to talk to him a few times in the last few years, trading memories of great times we had in the past. I'm not sure if you guys will remember this because I barely remember some of the details...but one year we all went camping together...I know it was after 1972 because my dad had that orange chevrolet pick-up with the camper. As far as I can remember everyone except the Jones were there...Uncle Joe, Aunt Sharon, Pat Smithhart, Uncle Butch and all our families. We swam, danced, sang, fished, played ball, and there were a couple of boats...we had a great time. The after that we all seemed to go all different directions. I wish that we could all get together again like that again!!! On June 13th there is a Minatrea Reunion in Marshall Texas. We've been once, it was a great time. If you guys are interested in coming, I will email the info. It's crazy how much everyone looks alike!!! I would love it if you guys could come & I know it would make your dad smile! Hope to see you there!

“ Dear Eddie and family, We are sorry for Freddy's suffering in his last years but by the Grace of God that is over. Thank you for being an honorable son and taking care of his final rites in such a memorable way. Is there a favorite charity that David and I could contribute in which to help some way? Please advise if so. We will pray that the memories of your Dad will be ones you can look back on and learn from. Always, your aunt and uncle, Pat & David Jones
