“ I am sorry to learn of Orinda Hughes passing. We are former members of Blackman United Methodist Church and Orinda was in my Sunday School Class and was always willing to help do whatever we ask of her. I visited her in her home from time to time about Sunday School things.

“ Aunt Runny was the most amazing person I know and will be missed by all. She never had a bad day in her life and always brought sunshine and happiness to anyone who had the pleasure of speaking with that day. She was loved and admired by all her met her and knew her. I never saw her without a smile on her face and know that she was cared for with love and respect her entire life by those around her. What amazing gifts she must have shared with those whom were able to spend more time with her as I know she forever influenced my life. I will always aim to have her cheerful spirit with me at all times.  
I love and miss all of my extended family there but know in my heart that you are all always with me just as she will be. We are all blessed to have known her.
