“ I can't begin to express my gratitude for all that Aunt Gracie did for me and my family. She gave me so many firsts. She is responsible for my first concert, which was Elvis at MTSU Murphy Center. She gave me a place to go on weekends as I was invited to spend time with Renee. She allowed us the freedom to ride our bikes around the neighborhood and throughout Evergreen Cemetery. She took me to church on those weekends. She drove us to Nashville to Sears and the S & H Green Stamp store. I got to see Rock City with them, cross over the state line for the first time in my life at 17, and stay in the Drake Motel. While she would admonish the smart attitude of my teenage years, she also offered encouragement even within the past year. She helped me get a job at Singer which lasted for 12 years of my adult life and played such a great part in shaping who I am today. I enjoyed living in a duplex beside her as a young bride. And I so relish our times of laughter, family fun, and fellowship. She has been not only my aunt, but a co-worker and a dear friend. Her passing is our loss, but Heaven's gain.
