“ Her piano revealed her glowing, cheerful spirit. We are thankful for her time with us.

“ To Melissa and Mark, it broke my heart to hear of your mother's passing. Your mom always made me feel so welcome in your home. She treated me like I was also her daughter in a time I could have used a second mom, and for that I am so grateful. I'll never forget all the church services attended with Mark where your mom would look down from the choir with the biggest smile on her face (and the rare, but occasional "sit up straight" look). Your mom taught me the importance of keeping my "shy little head up" and the importance of speaking with good grammar (I'll never forget when to use "I" versus "me" thanks to her). I also fondly remember her drawer of photographs she kept in her living room...a tradition I have continued in my own home. Please know Mrs. "D" will always hold a very special place in my heart. Love and hugs to you and your families during this difficult time, Leslie Freitag Belfanti

“ I have been friends with Helen since the 60s, when we were in Sunday School Class together and our children were little. We had some great times at Sunday School parties, Family Camp and weekend trips. She always had a cheerful spirit and an encouraging word to say, no matter the circumstances. Even though we moved to TX in 2003 we have kept in touch over the years. I will miss her and am praying for her family. I am rejoicing with her that she is with her Savior and Herman.
