

## Ivan E. Molina

December 4, 2014

Ivan Edgardo Molina was born on April 13, 1976 in Bayamon, Puerto Rico, and returned to his Creator on December 4, 2014.

Ivan was the loving and youngest son of Rosa Rosado and Bernardo Molina, and was close to his two sisters, Rosa and Cintya.

A college graduate of Louisiana State University, he earned a Bachelors of Arts in Mass Communications, though most deep was his love of plants, which he expressed as a landscaper throughout his life.

His passion for books and writing ran just as deeply and was a constant source of joy, comfort, and connection with others. He shared his writing with great generosity.

He was also devoted to his dogs and cats, always in awe of their loyalty and simplicity. He sought to emulate their unconditional love in the way that he supported others.

In his later days, Ivan became very close to God and found contentment in serving God's purpose. Daily and joyfully, Ivan spoke to us about God's transformative love.

Thank you Ivan, for the gift of your life as you lived it. Thank you Creator for your great Mercy. Ivan is alive in our hearts.

We, Ivan's family, are deeply grateful to all those who showed him love and kindness, now and throughout his life.
