“ Eddie, I shared this with you last night and I just wanted to also put it in writing. Your Dad was in the hospital here in Murfeesboro the same time my Mom was, several months ago. I visited my Mom, then went down a floor to visit your Dad. He was so sweet & funny, sharing stories with me about his sweet cat, Tesla, and how he MUST get home soon to his cat! He showed me pictures of his cat on his phone! (My Mom doesn't even know how to take or show pictures on her ("stupid smart phone"...as she calls it, lol!) Your Dad also told me how much he appreciated all the wonderful care & love that you & Robin give him every day (he looked me in the eye & told me that...and that was the first time I had the pleasure of sitting & talking to him.) I got the impression that he really wanted me to know how much he loved & appreciated his kids, maybe hoping I would share that with you, someday, since he may not have always been able to....Love & hugs to you & your family, Laura
