“ Sandra, I am so sorry to hear about the passing of Billy. Billy was such a pleasure to work with and always had a smile for "Aunt Kathy".

“ I am so sorry to hear that James has finished the first part of his life and has gone to live out his eternal life with the Lord.

James was a good friend to me growing up in Leanna, Thinking back to when we ran around together when we were teenagers I can only remember the good times and the fun we had. The short time that I had being friends with James will be in my memory until my time comes.

I heard a Paster once talking about the life we have here on earth.

He talked about a person from the day they were born until the day they left this earthly body.

Those two dates will be placed on James's head stone with a dash in between.

It's that dash that is filled with our memories, I know that the part of that dash that I was a part of was worth the friendship we had. I pray that you Kids and Grandkids will look at that dash and know the impact he had on your lives.

God bless you all Bobby Joe
