“ I will always hold a special place in my heart for Uncle Jack. I remember him to have such a kind and caring way to the way he spoke. It was always soothing to me. I know the boys are sitting around playing cards right now.

“ We have many memories of Uncle Jack, but one that sticks out and we have never forgot was one time when we came to Tenn. to visit Uncle Jack said have a seat I will make you breakfast and he made us "Eggs in a Basket" he called it , we grew up calling it " Uncle Jacks Eggs in the Toast " I have tried to make it for my Son and Grandkids through out the years, BUT I have never been able to make it as well or taste as good as Uncle Jack did. We will always remember your friendly smile. Love Kelly and Lee

“ Dad,

I will miss so many things about you, the smell of coffee and chap-stick, the way you jingle the coins in your pocket and the way you hum the same little tune when you are deep in thought.. I will miss our Sunday afternoon dates to watch football..."get that guy !!!" and so much more.

I feel blessed that you and Mom were both such a big part of my children's lives and that we got to travel the country together.

I know that you are watching over us and keeping us safe . Now you can play golf and cards with your brothers to your hearts content. We will never forget you and miss you until it hurts.

God Bless you and keep you always.

Love,

JoAnn
