“ My Dear Judy, in the time I had to know you, you made me feel loved, you contact me and gave me beautiful words that can only come from a person like you, you'd sent me e-mails with pictures of wish helped me build a phonto album-one I cherish and will cherish for ever.....I feel deeply saddened and please forgive me if you see me writting this but I didn't have the chance to meet you in person but yet in your own ways-you brought me close to you and accepted me as a family member, what I would call a new member in the family, I'm so glad I met you even if by an e-mail cause today I write to you in Heaven, I know you suffer no more-you are a child of GOD and live in pease, dear Angel-you will be missed by all of us.....like I'd always say-LOVE YA!.....Ana & Carlos Santiago
