“ I just actually found out about Keith's passing today many years later. He taught me many things about sports and was my coach in little league. I used to wash his car for a free trip to Macdonalds. Sorry to hear this now . Lost track after he moved away. My condolences to his kids. He is still thought of even after all this time. Sorry now, I never touched base with him. RIP Keith

“ My condolences go out to the family. I worked with Keith many years ago when he worked at the Saginaw Plant of Eaton Corp.After his promotion he moved away and we only saw him when he returned for a visit. He was a great person and was liked by all.He will be missed by all who knew him.

“ To Keith's family: I knew your Father/Friend from Summerlake Apartments. I actually met Keith one afternoon at the pool as he came up to me and introduced himself to me. We struck up a conversation and found out that we had the same friends. From the short time I knew him, he seemed like a very kind and outgoing man.

I say a prayer for you tonight Keith, as I have just learned of your passing. May God be with you forever in your soul.
