“ During high school your house was an open door for us all. You helped me get out of a traffic ticket. In a way you were a mom and a friend to us all. I have not seen you in years and yet it feels like it was yesterday. I will remember your laugh and your funny comments. You are missed.

Earth has no sorrow that heaven cannot heal.

“ Dear Rhonda and David
My deepest sympathy to both of you. You have lost an incredible mother and I have lost an incredible aunt. I loved your mother dearly and have so many fond memories of her and your dad as well. I know too well the pain you feel right now. May time and sweet memories bring you comfort. Your mother's laugh, smile and her sweet southern nature will forever be apart of me. My love to both of you- Cousin Cindy

“ We lived just one block apart. My daughter and Rhonda were bosom buddies all through their school years. David was just a young tyke, very nice and polite. Knew Bill as a good husband and father. Linda & I had many conversations about flowers, especially Hostas. I have missed her very much. She was a fine lady!

“ Rhonda, David, and family,

I am so sorry for the loss of your mother. I never had the honor of meeting her, but I know she raised one of the greatest people I've ever known: Rhonda, so she was an amazing woman and a gift to this world. My thoughts, prayers, and spirit are with you in Tennessee. Love, Sara
