“ I worked with Louise at Nhc and I can truly say she was a beautiful woman inside and out. I was a fellow cook but she taught me many great things about cooking. Everything she cooked was delicious but I think my favorite was a Japanese Fruit pie!! Louise loved her son more than anything and always tried to make sure he never wanted for anything. Matter of fact she would help anyone that needed it. I had the pleasure of going to see her a couple of years ago and was glad I did. I hate she had to leave here but she's suffering no more and she is truly at home in God's kingdom. I'll miss you Louise and will never ever forget you. Love you. To all her family I'm praying for comfort for you all.
