I miss you more and more each day. Never a day goes by that your not mentioned. I just keep reliving thoses last couple of days before you passing. It really bothers me in the evening cuz I know how you got cold and with the weather like it has been, I just want to bring your braves blanket and cover you up. Its getting closer to christmas and I made a promise that I would keep on giving for you. I will. I will always keep in fresh in our lives.

It's been 3 weeks today that you went to heaven. Every Sunday I just relive the last moments that you were with me and my brothers. It has been so hard to say goodbye. I just pray that you will watch over me each day. I am glad that you no longer live in pain and other illness that you kept on getting. I know how much you loved us and the grandkids and great grandkids. What I would do just to see your face and to hear you tell me that you loved me again. I'll always remember how you conted on me. I hope that you are proud. Sweet dreams mama.

“ Mama,
It has been two weeks today that you left us to go to heaven. We all think of you every minute of the day. It has been so hard to go on day after day.
As you can see, we still come and visit every week. I promise to pick up where you left off. I wont forget anybodys birthday or christmas. You were so giving and didnt leave anyone out. I will do this for you in memory of you.
Love you Mama

“ Mama,
I am missing you more and more each passing day. I love you mama.
It seems just like yesterday when this journey started and before my eyes you are now gone. We tried our best to make all the right decisions where we could keep you with us forever. Your body was tired. I keep praying that in time I will understand all of this. In my heart and soul. I just could'nt believe anyone could have been more gentle than me. I hope that you know that we love you and that you will feel our love everyday.

Like your grandchildren said" Grandma's a trooper.

Donna - daughter - October 21, 2010 at 12:00 AM

“ Mom,
All three came before you today to continue our love for you.
It is so hard to realize your gone. My heart keeps wanting to continue taking care of you. That is what I was guided to do. My days have been filled with emptiness..
Please watch over me and help me realize your ok and in a greater place than us.
Love you mama
