“ To the Lancaster family and Penny, I am so sorry for your terrible loss. Parry and I grew up together in the Mitchell-Neilson neighborhood. We attended school and church together. Our families went on vacations and lake trips for many years. The world has lost a great soul but heaven is a much better place now. You are all in my prayers. Sincerely, Karen Johnson Guthrie

“ When I first became an account manager Perry helped me learn the job. I will never forget how tough, yet caring he was. He never got frustrated with me even when I called him 12 times a day because I didn't know how to handle a situation. He was ALWAYS there for me and I will always have a special place in my heart for Parry.
