“ Robert has been a big part of my life and will be dearly missed. He was a friend, mentor, advisor, brother in the lord, neighbor, I always looked forward to seeing Robert in our Thursday night prime timers bible study. Robert always brought joy to the room. Robert had a ministry of encouragement and Roberts's knowledge of the bible made it so anyone in the room could understand the meaning, not that it was a simple message, but Robert had a way to cut to the chase. Robert Loved JESUS and it showed in his life, He was a great example of how a Christian should live.

“ I loved this man more than words could ever say. I met "Papa" when I was 15 years old and he has been by my side since that date, as my pastor, father-in-law and grandfather to my boys. We had the best times cooking together. He was there when my dad "Joe" passed away; he was there when my dad "biological", passed away and he was there for me when Kenneth had his leg amputated and again when Kenneth was leaving this world. He has prayed for me and my family everyday. Such an example of a godly man and pastor. Now he is my angel. Thank you Papa for your love, support and caring for my family. You will always be in my heart.
