“ I knew Butch for almost 2 years, and threw all that time he became a friend, after that a best friend, and at last he saw me as a son at work. Not only did he took care of me at our job, but also everone else that was near him. I miss him very much and all the memorys i have from him will always be with me. Its hard not to cry knowing that his is not here anymore. But everything that i learned from him I will use in my life to become a better person. each day. He was truely a great person that god put in my life. I do miss him very much and i pray for his family everynight. Butch will always watch over his family. “ If We Could Bring You Back Again

If we could bring you back again,
For one more hour or day,
We'd express all our unspoken love;
We'd have countless things to say.

If we could bring you back again,
We'd say we treasured you,
And that your presence in our lives
Meant more than we ever knew.

If we could bring you back again,
To tell you what we should,
You'd know how much we miss you now,
And if we could, we would.
