“ Bob Rollins was such a kind man who treated everybody well. He was always very helpful to me all those years at Rich's, whenever I needed information from shipping or inventory control. He was a very easy going man, who always had a ready smile to everyone he met. RIP Bob. God bless.

“ On December 31, 2020, I lost one of the most precious people in my life.....my father. Through the years we have bumped heads so many times we both should have ended up in the hospital with a concussion, but we both knew that the next time we saw each other it would have been forgotten. There was so many times that I truly needed you but was too scared or ashamed to call you. But I knew that even if you were not there physically, you were inside of me trying to lead me. Many times I did not follow your lead and I have learned from each and every one of those times. I will miss you every day, every hour, every minute and every second of the rest of my life. I do find comfort in knowing that you are again where you belong...with my precious mother.

I love you, Daddy!!!!
