“ Anyone that knew Timmy had no choice but to love him. He has always brightened up the darkest rooms. If you were upset in any way Timmy wasn't leaving until he had you smiling. He was one of those people that genuinely cared about you. If you needed to talk Timmy would sincerely sit down and take the time to listen to you and would give you his best advice. Whenever Timmy came around the cookouts got bigger and the music got louder and him and my brother DJ would always end up getting everybody laughing whenever they hooked up that karaoke machine and started dancing and rapping they always got everyone's attention. Those were the best of times. These are the memories I will forever hold closest to my heart along w all of the holidays we spent together, you being a groomsman in niff and Steve's wedding and all the birthday parties we celebrated together. I'm gonna miss watching you play w the kids, you were always so good to all of them. They love their uncle Timmy. Timmy you were always so good and so loyal and so kind, and giving and just such an amazing friend. To those of you who didn't know Timmy as well as the rest of us did then I apologize to you because you missed out on a once in a lifetime friend. Our family has been so blessed to have you in our lives as part of our family for 30 years. I pray you're at peace now. I hope you know how much you were loved by so many people. You've touched so many lives in such positive ways. You were always smiling even when you were sad. I can't stop thinking about our last hug. I close my eye's and feel your arms wrapped around me bro. As sad and as heartbreaking as it is here without out you I still find peace because I know JESUS reached his hand out and grabbed ahold of yours and brought you to GOD'S BEAUTIFUL KINGDOM where there's nothing but happiness and love and laughter, a place where there's no such thing as hatred or jealousy or anger or evil! It's a place where you'll never hurt or suffer ever again. A place where Satan or his demons are powerless against our glorious saviour JESUS CHRIST! Thank you for being a wonderful friend to me. My condolences go out to your mom, dad, brother, grandparents and all of your nieces and nephews and aunts and uncles. I miss you so much t-dog. This hole in my heart can never be filled again. There's absolutely nobody that could ever take your place in my heart. Rest in peace and until we meet again fly high with the Angel's. I love u so very much Love always your sister Tammy

“ There are those who move quietly through our lives doing what they do without fanfare. Their presence is soft and open and devoid of the sharper edges some of us possess. The time spent with them makes those around them easier, lighter and even more hopeful. Such was Timmy. His passing leaves a hole in us. Our job is to respect that gift by being better people ourselves and thus continue Timothy's legacy of love. Your grandpa misses you already.

“ A sweet and loving boy with a heart as big as all outdoors! There wasn't a time we spoke that he did not say "I love you Nana" My heart is broken with his loss, I love you Tim and will miss you so very much-Nana

“ Timmy was my Uncle. He didn't have to be my siblings and I'd uncle but he chose too. Timmy always called us his Nieces and treated us like we were his own kids. My dad was his best friend for over 25 years and those two showed me what real friendship was supposed to be like. Timmy always had my back and my dad's back through thick and thin. From changing more of my diapers than my dad, to playing any type of game I would ask you too, jamming to music or on rock band, even if I didn't see Tommy for a few weeks he would always text me every few days just checking on me and always making sure he talked to us every holiday if he wasn't there celebrating with us. I truly looked up to Timmy and he had one of the biggest hearts ever. There will never be another Timmy, and I thank God I was lucky enough to have play such a big role in my life. I Love You Forever - Your Niece
