“ Maxine is and forever an angel to me. I had a terrible time being accepted by my in-laws. Maxine took me under her wings and taught me many things, one was teaching me to drive and took me to get my license. (Many times she said slow down, don't be in a hurry, be in control.) Even today I hear those words and slow down. My mother (which is also in heaven now) lived in Chattanooga, so Maxine helped me with my first pregnancy, she even drove me to my appointments. If I had a question or concern regarding my pregnancy Maxine helped me through it. Maxine even persuaded me to have natural child birth. During delivery (BOY) was I mad at her, but in the end it was for the best. Maxine was the first to hold my child. I hold great respect and always will for Maxine. Bless you Maxine, Binkey and all the children and grandkids, you are all in my prayers.
